

void setup ()  $\Sigma$   $\leftarrow$   
 $\Sigma$   $\leftarrow$  NOT ANY MORE

A hand-drawn diagram on lined paper. It features a horizontal line. To the left of the line, there is an arrow pointing towards it. Above the arrow is the number '3'.

void setup() {

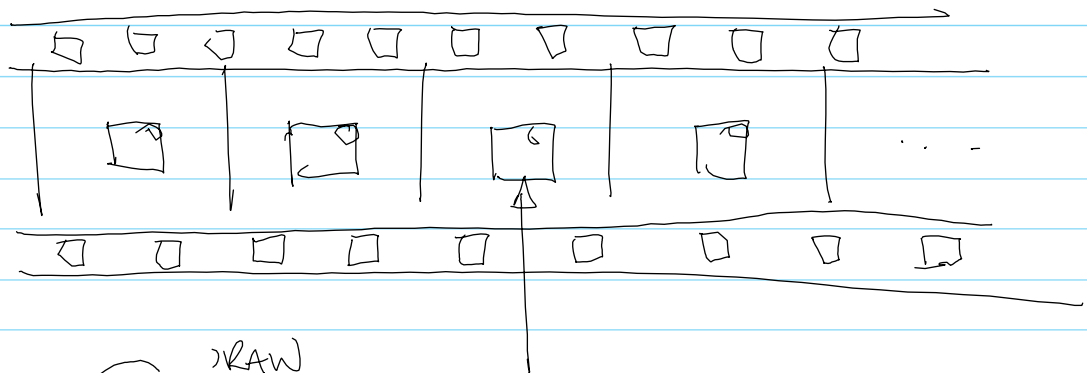

code

}

→ ONLY ONCE

void draw () {  
CODE  
}

OVER AND OVER

A hand-drawn diagram on lined paper. On the left, a circle is drawn with the word 'RAW' written above it. Inside the circle, the word 'LOOP' is written and underlined twice. An arrow points from the top of the circle to the word 'RAW'. To the right of the circle is a rectangular box with the word 'ANIMATION' written inside it. A vertical line connects the top of the 'RAW' box to the top of the 'ANIMATION' box.
